Alexandria, VA 22314

Sir:

I, Thiow Keng TAN, declare the following:

1. An article entitled "Experimental Results of Face Description Based on the 2nd-Order Eigenface Method," was presented at the International Organisation For Standardisation, Organisation Internationale De Normalisation, ISO/IEC JTC1/SC29/WG11, Coding Of Moving Pictures and Audio, and assigned internal number MPEG2000/M6001 in May, 2000. This article, lists Mr. Lei WANG and myself as the authors.

2. I acknowledge that the above-mentioned article originates solely from the work of Mr. Wang. Specifically, the theories presented in the above-mentioned article were generated by Mr. Lei WANG. Mr. Lei WANG conducted the relevant experiments described in the above-mentioned article. Further, Mr. Lei WANG wrote the above-mentioned article by himself, without any assistance from me.

3. Although I did not participate in preparing the above-mentioned article, I was listed as a co-author of the article as I was Mr. Lei WANG's

manager in charge of standardization activities at ISO/IEC
JTC1/SC29/WG11 Moving Picture Experts Group (MPEG).

4. Accordingly, I hereby declare that the above-mentioned article
was authored solely by Mr. Lei WANG.

I hereby declare that all statements made herein of my own
knowledge are true and that all statements made on information and belief
are believed to be true, and further that these statements were made with
the knowledge that willful false statements and the like so made are
punishable by fine or imprisonment, or both, under Section 1001 of Title 18
of the United States Code and that such willful false statements may
jeopardize the validity of the application or any patent issued thereon.

Thiow Keng TAN

CODING OF MOVING PICTURES AND AUDIO

ISO/IEC JTC 1/SC 29/WG 11 **NXXXX**

Updated 31 January
January 2005

Source: HoDs
Title: MPEG 101
Status: Ongoing

Please find the "The Introduction to WG 11" in the following slides.

Document Handling

- **All documents are in softcopy form only**
- 2 classes of documents
 - **Input** contributions to a WG 11 meeting
 - Examples:
 - submitted by individual(s) as proposal for consideration by experts
 - submitted by SC 29 as information/results of WG 11 ballots
 - National body position statements
 - **Output** documents approved by the delegates at the Friday plenary
 - Examples:
 - Text of WG 11 specification and its associated DoC (when required)
 - Formation of Adhocs
 - Resolutions and Report of an MPEG week
 - Other subgroup reports

Document Status

- WG 11 conforms to JTC 1 Directives as follows:
 - all output documents are provided to the SC 29 secretariat from which the appropriate documents are made available with restrictions as specified in the JTC1 on the SC 29 web site.
 - As an aid to the convener, who has kindly provide a web site, we mark documents such that he can easily select those marked for inclusion on that web site.

Document Status-Confidential

- Input documents are all considered private to MPEG and may only be distributed outside of MPEG by the author or permission from the author in separate communication.
- No indication as such is required to be placed on these documents by the author.

Document Management

- WG 11 has a public website maintained by The Convener
 - <http://mpeg.telecomitalia.com/>
- WG 11 maintains a **delegate only** Web and FTP site
- User / Password distribution by HoDs to certified delegates only
 - Web site: <http://mpeg.nist.gov>
 - FTP site: <ftp.nist.gov>
 - Webmaster: Wo Chang (wchang@nist.gov)
- Each class of document is maintained in a separate directory
- Slides used in reporting status are collected and made available
- Meeting information for past and future meetings
- Automated input class document registration on delegate only site
- Output class documents produced on a subgroup basis on Fridays

Document availability

Submission deadlines -

- **to give delegates time to obtain and review meeting contributions**

- input document (“m” named files)
registration - Monday midnight GMT
ftp site upload - Tuesday midnight GMT
- output (meeting) documents (“w” named files)
prior to conclusion of Friday plenary (uploaded to ftp within 24hrs)
by resolution - editing period for some documents

- **Retention per JTC 1 directives**
